68" Standard Table Configurations

The 68" standard table design completes Dehnco's line of standard tables. This larger table is commonly used for full-size mailroom applications and are great work tables for large and heavy machinery such as two-in-one fax machines, mailing machines etc. These tables can also be used as work tables for a mailroom supervisor or employee.

Please note: that a storage shelf and sliding doors cannot be added to this standard table design and all standard tables have a fixed height of 29".
